

## Patchett Pocket Park Dedication

OCTOBER 14, 2021

Yesterday, Linda Wilson, chair of [Art in Public Places](#) presided with Jerri Patchett for the final plaque and dedication ceremony for Frank Patchett Pocket Park at Vine and Alvarado — a kinetic sculpture by [Lyman Whitaker](#). In the picture below, Sandi LeMasters, Jerri Patchett, Lyman Whitaker, Stacy Christensen, Linda Wilson, and Peter Wilson are shown at the dedication.

Sandi LeMasters spearheaded the creation of the park. The park is named for Frank Patchett, a long-time patron of the arts in Fallbrook.
