LYMAN WHITAKER/TRIANGLE ARTWORK COMES TO LIBERTY!

OCTOBER 15, 2013 LIBERTYARTSLOVER LEAVE A COMMENT

Two of the Liberty Triangle “Roundabouts” (traffic circles to the lesser informed) have finally been decorated with 3 selections (each) from renowned artist [Lyman Whitaker](#).

The kinetic art sculptures were funded by a collective of funds orchestrated by the ***Liberty Arts Commission, Liberty Arts Foundation, Capitol Federal Bank of Liberty, LTD Enterprises LLC, Plant Sub of Liberty*** and approximately eight more donors* with the significant assistance of the [Leopold Gallery](#) (Brookside, MO) and Paul Dorrell (president) and Paula Busser (consultant/gallery director). So the next time you drive by ***Planet Sub*** or ***Hy-Vee***slow down as you drive the “roundabouts” and enjoy the new artwork. We’ve worked hard for all of us to enjoy it!

and...if you REALLY enjoyed the artwork...and would like to see MORE...feel free to dash off a check/contribution to:

***Liberty Arts Foundation, LLC (a 501C3 NFP organization) – PO Box 283,
